If you are enrolled in school now: Grade: _____ School: _____

If you are *not* enrolled in school: Last grade completed: _____

Most recent school attended: _____

Parent/Guardian name: _____ Parent/Guardian telephone: _____

Where would you like to be and what would you like to be doing in the next 4 - 5 years? If you plan on getting more education or training, what do you think you might study?

As part of your work, you will be a role model for other youth. What do you think is most important to role model for youth who are younger than you?

As part of your work, you will be a teacher. Who is the teacher you learned the most from and why?

Have you had any experience with science, technology, engineering or math related programs? If so, what skills did you gain from these experiences?

As part of your work, you will try to recruit other youth to get into science, technology, engineering and math. What do you think we need to do to encourage more youth to think about a career in science, technology, engineering and math?

What have you made or designed (painting, website, clothes, video, model car, music, etc.)?

What are you interested in, but have never had the opportunity to do?

Learn 2 Teach, Teach 2 Learn **purposefully involves youth who have a wide range of positive and less than positive experiences in school**, so we ask you to BE HONEST in answering the following questions about school.

Do you enjoy school? Yes! Sometimes No, not often. . .
Why? (explain your answer) _____

How are you doing in school? BE HONEST!!! !!! (Bad grades DON'T disqualify you. . .)

- All As and Bs
- Mostly As and Bs, but no failures
- Mostly Bs and Cs, but no failures
- Mostly Cs and Ds but no failures
- List class(es) for which you received a failing grade _____
